FANTASY COMPOUND
Bungalows Key Largo
KEY LARGO, FLORIDA

Once a mobile home park with possibly the world's best location—smack on the Gulf of Mexico—this 11.5-acre tropical wonderland just 60 miles south of Miami is now home to a stylish resort that feels like sleepover camp for sun seekers. Here, the shell-lined paths meander among palms and other dense foliage, connecting 166 bungalows, each with an ample and very private veranda for indulgent use of the outdoor rain shower and soaking tub. Other dreamy touches include turquoise beach cruisers and two thatch-roof tiki bars that drive like boats. *Rates start at \$899 all-inclusive (21+); bungalowskeylargo.com.*
