

Noble Opens Key Largo Resort

135-bungalow development adds three F&B outlets

Noble House Hotels & Resorts has debuted the luxury all-inclusive, adults-only resort, Bungalows Key Largo in the Florida Keys. The 135-bungalow boutique property spans across 12 acres, situated within a botanical garden that butts up to the ocean.

Each bungalow features an oversized soaking tub and an outdoor garden shower. Meanwhile, organic textures, tropical hues and all-natural materials complement the bohemian feel of Key Largo's cabana lifestyle.
