Customize a day of adventure aboard our newest boat, 21' STARCRAFT, offering a unique opportunity to explore the Bayside of the Florida Keys with a "Be Your Own Captain" experience. Cruise around at your own leisure with destination recommendations from our concierge team, or request one of our experienced Captains to be your personal tour guide. This boat features a Hummingbird Helix GPS and transducer for personal navigation use, AM/FM Radio, Bluetooth, and an Auxiliary MP3 Input to be your own DJ on the water, as well as Hydraulic Steering for a smooth ride. Snorkel equipment available upon request.

****Fuel Policy:** We have a "Full to Full" fuel policy - meaning we will fill the fuel tank prior to your departure, and we expect the pontoon boat to be returned to us with a full fuel tank. Failure to return with a full tank will result in a surcharge of 30% per gallon of fuel consumed.

Food & Beverage: Your vessel comes stocked with light snacks, waters, and sodas. Enhanced catering packages and beverages are available for purchase - see options below.

A Captain is available for guests without boating experience or those that prefer a captained experience for \$200.00 additional captain fee per 4-hour trip. Please see the Watersports Concierge for captain availability.
